

15 questions to ask yourself before moving jobs

There are plenty of exciting opportunities out there for someone with your skillset and experience. The challenge is finding a role that aligns with where you are right now, as well as where you'd like to go.

Question 1:

What are my primary reasons for wanting to leave my current job?

Question 2:

What specific aspects of my current job do I want to change or improve upon in my next role?

Question 3:

What are my career goals, and how does this job opportunity align with them?

Question 4:

What type of company culture am I looking for, and does this organization embody those values?

Question 5:

What opportunities for growth and advancement does this job offer compared to my current position?

Question 6:

What type of company culture am I looking for, and does this organization embody those values?

Did you know
